Book Eric Bailey and get all of the following:

## One

A pre- or post-presentation Chalk Talk session. This one-hour visionary session with your executive, mid-management, or frontline team provides strategies and tactics to improve performance and enhance organizational development. Conducted in a fun, dynamic, informal atmosphere.

## Two

A custom 15-minute podcast, one month after Eric's presentation, designed to address your organization's unique needs. Provided to you in a format easily distributed to your team or uploaded to your organization's website.

## Three

An industry-specific Visionary Outline PDF highlighting the key points of Eric's upcoming presentation.

## Four

A complimentary, 30-minute, one-on-one Visionary Mentoring session with any member of your organization, conducted either by phone or video conference.

## Five

A subscription to Eric Bailey's monthly Visionary Viewpoint newsletter.

For a nominal fee, Eric will also write a customized article for inclusion in your next company newsletter.
